

Team Discussion Essentials

Player led teams will always overcome coach led teams. We need to foster the ability for our players to lead. The team discussion is an area where teams must take ownership.

- 1. What are the key parts to having an effective team discussion? What do participants in the discussion do? What do they not do? How do you know people are engaged?**

- 2. How do you bring up challenging topics while keeping respect for all involved?**
